### MOVE-OUT/CHECK-OUT INSTRUCTIONS

1. Upon arrival at UK, we ask that all parents and guardians park at **Coliseum Parking Lot (outlined in pink)** off of *Lexington Avenue*.
2. From here, you will walk to the **shopping cart stations (in between the red lines)** and take an empty cart to **Holmes Hall (yellow star)**. You'll meet your student in the lobby.
3. You and your student will go up to their room to assess how much they've packed. If they are not fully packed, you can help them until they are. **If you or your student needs to throw away any trash, please do so at the trash compactors located outside of the building.**
4. When your student's items are fully loaded onto your cart, everyone will go downstairs to the lobby. **This is where your student will officially check out of Holmes Hall.**
5. After you check out, you're good to leave Holmes and take part in the rest of GSA's Final Day Festivities!
6. For loading items into your vehicle(s), we recommend that you have one person in your party drive it from **Coliseum Parking Lot** to the curb on **S Martin Luther King Blvd** (right by the shopping cart stations). **When you are finished loading your vehicle, please return your empty shopping cart to the shopping cart stations.**

## NOTES

- All students must be completely moved out of Holmes Hall by **11:15am EST**.
- If you or your student needs to throw away any trash, please do so at the **trash compactors** located outside of the building.
- **Coliseum Parking Lot** will be *free* on move-out day.
- **Please check in with your student about when they need to be available for any performance/gallery setups during the move-out time frame.** If you are moving your GSA student out when this is happening, you and/or your party are permitted to continue the move out process while your student reports to their scheduled event. **Just be sure to go to the lobby and notify the check-out desk (provide them with your student's first and last name as well) when you're finished.** 😊
- When you are finished loading your vehicle, please **return your empty shopping cart** to the shopping cart stations.
- Don't be afraid to ask any of the GSA staff questions – we'll all be wearing **purple** GSA t-shirts if you need us!
- If you are a parent/guardian of a student in **Film + Photography** or **Visual Art**, we recommend that you park at Cornerstone **Parking Garage (outlined in purple)** AFTER you've moved your student out. **This will save you a long walk to where your students' final gallery exhibitions will be held.** In addition – parking at Cornerstone Garage will be *free* all day.
- For more information about parking (and the options available to you), please go to <https://www.uky.edu/transportation/park> . However, we at GSA recommend parking at either **Coliseum Parking Lot** or **Cornerstone Parking Garage**, since they're guaranteed to be free of charge.
