

GSA 2021: Contact Information for Parents and Guardians

Contacting your student: please note that GSA students **cannot** have their cell phones outside of their dorm halls. In case of an emergency, they will always be near a GSA employee who has a cell phone. This means you may only hear from your student via cell in the mornings, during mealtimes, or in the late evenings (classes may run until 10:00pm EST).

Please use the template below for your student's mailing address during GSA (remember not to send anything that will arrive before June 28 or after July 16):
