

Job Posting: Musical Theatre Faculty (one position; focus in Vocal Coaching, Music Direction, Arrangement, and Accompaniment)

About GSA

Kentucky's Governor's School for the Arts (GSA) is an immersive residential summer program that empowers the Commonwealth's next generation of creative leaders. The GSA summer program convenes a community of high school rising juniors and seniors from across the state to live in residency for three weeks of intensive college-level training under the guidance of a faculty of professional teaching artists.

At its core, GSA is a youth empowerment program; we strive to affirm, inspire, and uplift our students toward embracing their identity, power, and potential as artists. The program emphasizes interdisciplinary collaboration, the impact that artist-citizens can make in their communities, and accessible college/career pathways that leverage students' creative gifts.

Students are selected through a competitive application process in one of GSA's nine core artforms: Architecture + Design, Creative Writing, Dance, Drama, Film + Photography, Instrumental Music, Musical Theatre, Visual Art, and Vocal Music. The program represents a partnership between Kentucky's Tourism, Arts, & Heritage Cabinet and Kentucky Performing Arts, a non-profit organization based in Louisville, KY with a statewide mission. The summer program doubled in size last year and will accept a total of over 500 students for two separate summer sessions in 2023.

About GSA's Musical Theatre Program

Musical Theatre students study dancing, acting, and singing with GSA faculty and visiting artists. The Musical Theatre program is designed to provide students with intensive study in stage movement, jazz and tap dance, voice for sung and spoken text, energy work for relaxation and physical awareness, scene study and monologue work, script and character analysis, an overview of musical theatre history, research, criticism of selected works from the musical theatre lexicon, and audition preparation. Students present a staged performance of solo and ensemble work on the final day of the program.

About this position

The Musical Theatre Faculty consists of three independent contractor positions, which are supported by a teaching assistant. The three faculty members work closely together to fully round out the curriculum. This open position is for a faculty member who focuses on vocal coaching, music direction, music arranging, and accompaniment for the Musical Theatre program. The other two faculty members generally focus on movement and dramatic direction, respectively – although there is crossover and collaboration in the classroom.

The successful applicant for this position will work in tandem with the other Musical Theatre faculty members to assign musical numbers and scene work to students, devise audition packages, and produce content for a public performance on the final day of the summer program. The faculty member in this position will be responsible for music arranging (vocal, jazz band, and potentially orchestral), leading choral ensemble rehearsals, vocal coaching, as well as choral/band conducting and piano accompaniment for rehearsals and the final day performance. Faculty also work together to coordinate field trips, visiting artists, and careers presentations.

The 2023 Musical Theatre program will take place at the University of Kentucky in Lexington, KY. While two GSA sessions will be offered, this open position is for the **second session** specifically. Important dates for this commitment are as follows:

March 19, 2023: Faculty Planning Kick-Off Meeting (in-person in Lexington, KY or virtual attendance via Zoom)

April/May: Faculty work together to plan curriculum; this work can take place remotely and the pace/distribution of planning tasks is mostly self-directed by faculty.
